	<p>Peter Whitehouse (Case Western Reserve University and University of Toronto, USA)</p>	<p>Graham Stokes (Bupa)</p>
<p>Francesca Colombo (OECD)</p>	<p>Hiroaki Kazui (Osaka University)</p>	
15:00 15:30	<i>Break Time</i>	

Day 1: Wednesday, 5 November, Subspecialty meeting

Day 1: Wednesday, 5 November, Subspecialty meeting		
15:30 17:30	<p>Session-3 Living Well with Dementia in the Community</p> <p>(15:30~17:30) Auditorium</p> <p>Share information of progressive approaches from across the globe, designed to enable persons with dementia to continue living in the community. Seek for the possibility to reflect the fruits of those inspiring efforts to the specific and effective measures.</p>	<p>Session-4 Enhance Awareness and Education in the Society</p> <p>(15:30~17:30) Sky Studio</p> <p>Investigate the possibilities of a variety of initiatives to change public attitude through public awareness. Public awareness campaigns are necessary to prevent stigmas against dementia. Knowledge of and technology for the diagnosis, prevention, and care of dementia must be well understood by nursing and health care officials. Knowledge shared by a small group of experts should be shared with a broader range of interested parties. Moreover, nations that are dealing with aging societies need to share their knowledge and experience with those nations that will be facing issues concerning dementia.</p>
	<p>[Chairperson] Koichi Kozaki (Kyorin University, Japan)</p>	<p>[Chairperson] Akira Homma (Tokyo Dementia Care Research and Training Center, Japan)</p>
	<p>[Chairperson] Cyndy Cordell (Alzheimer's Association, USA)</p>	<p>[Chairperson] Marc Wortmann (Alzheimer's Disease International)</p>
	<p>Jean Georges (Alzheimer Europe)</p>	<p>Gillian Ayling (Department of Health, UK)</p>
	<p>Shuichi Awata (Tokyo Metropolitan Institute of Gerontology, Japan)</p>	<p>Sabine Jansen (German Alzheimer Association)</p>
	<p>Annette Pauly (Federal Ministry for Family Affairs, Senior Citizens, Women and Youth, Germany)</p>	<p>Michael Splaine (ADI. / Splaine Consulting and Cognitive Solutions, LLC)</p>
