Change from 2014 to 2025 for Washington, D.C.: -2.2%  
 Created from unpublished data provided to the Alzheimer's Association by Hebert et al.<sup>410</sup>

# 36 States have State Plans (7 more and Puerto Rico are in process)

## STATE ALZHEIMER'S DISEASE PLANS

This paper categorizes and compares the recommendations of the Alzheimer's disease plans that have been published in 36 states and the District of Columbia. (Another 7 states and Puerto Rico are in the process of writing plans.) To read any of the full published plans, visit the Alzheimer's Association's web site at [alz.org/stateplans](http://alz.org/stateplans).
